About the Jasper School Based Health Center Forms……..

Dear Parent / Legal Guardian,

The Jasper School District continues to partner with Boston Mountain Rural Health Center (BMRHC) to provide healthcare services on our primary school campus. These services are available to all Jasper School District students, faculty, parents, and community members.

Our goal is to support student health, ensuring they can fully benefit from their educational experience. With quick access to care, we anticipate students will miss less school.

BMRHC operates the School-Based Health Center (SBHC), and the enclosed forms are required for participation. The first form allows us to update school records and acknowledge your student's enrollment in the SBHC for referral purposes. The remaining forms will be shared with BMRHC.

Completing and returning these forms does not mean you are changing your child's doctor. Once the forms are on file, your child can receive care at the SBHC.

Depending on your insurance, a referral from your regular doctor may be required. If your child is already a BMRHC patient, no referral is needed. BMRHC also accepts new patients and can serve as your child's primary care provider.

Please note, BMRHC cannot provide services to your child without completed and signed forms from a parent or legal guardian.

The SBHC will be open as follows:

- Monday through Thursday 7:45 am - 5:15 pm, and Friday's 7:45 am - 11:45 am
- After hours on-call phone number is 870–448-7222

If you have any questions, concerns or feedback, please call the Jasper SBHC at **870-446-2225 or contact the SBHC Coordinator (Cristan Martin) @ 870-446-2223 / cristan.martin@jasper.k12.ar.us**
